Index Volume 16, 1989

Anderson, D. D., Gundersen, C. B., Banken, D. M., Halvorson, J. V., & Schmutte, D. Undergraduate role players as "clients" for graduate counseling students. 141

Appleby, D. C. The microcomputer as an academic advising tool. 156

Baker, T. B. (See Keating, J. P.)

Balch, W. R. Item order affects performance on multiple-choice exams. 75

Banken, D. M. (See Anderson, D. D.)

Becker, A. H. (See Grover, C. A.)

Beins, B. C. A BASIC program for generating integer means and variances. 230

Beins, B. C. A survey of computer use reported in *Teaching of Psychology*: 1974–1988. 143

Bellezza, F. S., & Bellezza, S. F. Detection of cheating on multiple-choice tests by using error-similarity analysis. 151

Bellezza, S. F. (See Bellezza, F. S.)

Bernstein, D. A. (See Kasschau, R. A.)

Brown, R. T. Exercise demonstrating a genetic-environment interaction. 131

Carlson, J. F. Psychosexual pursuit: Enhancing learning of theoretical psychoanalytic constructs. 82

Carr, K. F. (See McGovern, T.V.)

Cesa, I. L., & Fraser, S. C. A method for encouraging the development of good mentor–protégé relationships. 125

Chastain, J. D. (See Ware, M. E.)

Chatfield, D. C. (See Halcomb, C. G.)

Corey, J. R. Constructing a moving cube illusion. 139

Couch, J. V., & Stoloff, M. L. A national survey of microcomputer use by academic psychologists. 145

Crooks, R. L. (See Smith, R. F.)

Cruse, B. H. (See Halcomb, C. G.)

Davis, S. F. (See Grover, C. A.)

Davis, S. F. Greetings from the president. 246

Deffenbacher, J. L., & Shepard, J. M. Evaluating a seminar on stress management. 79

Descutner, C. J., & Thelen, M. H. Graduate student and faculty perspectives about graduate school. 58

Dimeff, L. A. (See Fantuzzo, J. W.)

Division Two. 40, 41, 90, 91, 92, 93, 161, 163, 244, 246, 247, 248, 253

Dunn, D. S. Demonstrating a self-serving bias. 21

Enns, C. Z. Toward teaching inclusive personality theories. 111

Fantuzzo, J. W., Dimeff, L. A., & Fox, S. L. Reciprocal peer tutoring: A multimodal assessment of effectiveness with college students. 133

Farr, W. H. (See Nissim-Sabat, D.)

Fernald, L. D. Tales in a textbook: Learning in the traditional and narrative modes. 121

Fernald, P. (See Sparrow, J.)

Finney, P., Snell, W., Jr., & Sebby, R. Assessment of academic, personal, and career development of alumni from Southeast Missouri State University. 173

Foos, P. W. Effects of student-written questions on student test performance. 77

Ford, J. G., & Maas, S. On actualizing person-centered theory: A critique of textbook treatments of Rogers's motivational constructs. 30

Fox, S. L. (See Fantuzzo, J. W.)

Fraser, S. C. (See Cesa, I. L.)

Freeman, S. T. Issues in training therapists to deal with clients' sexual performance problems. 24

Fulkerson, F. E. (See Wise, P. S.)

Galotti, K. M. Describing the development of a developmental psychologist: An alternative term paper assignment. 18

Gordon, R. A. Stereotype measurement and the "kernel of truth" hypothesis. 209

Griggs, R. A., & Jackson, S. L. The introductory psychology textbook market: Perceptions of authors and editors. 61

Griggs, R. A., Jackson, S. L., & Meyer, M. E. High school and college psychology: Two different worlds. 118

Griggs, R. A. (See Messer, W. S.)

Grover, C. A., Becker, A. H., & Davis, S. F. Chapters and units: Frequent versus infrequent testing revisited. 192

Grover, D. E. (See Zanich, M. L.)

Gundersen, C. B. (See Anderson, D. D.)

Halcomb, C. G., Chatfield, D. C., Stewart, B. E., Stokes, M. T., Cruse, B. H., & Weimer, J. A computer-based instructional management system for general psychology. 148

Halvorson, J. V. (See Anderson, D. D.)

Hammond, R. B., & West, A. J. Biofeedback technician training program for undergraduate and graduate students. 22

Harcum, E. R. Demonstrating that an ability does not exist. 85

Hettich, P., & Lema-Stern, S. Professional development opportunities in small colleges. 12

Horrocks, L. J. (See Norcross, J. C.)

Horton, P. F. (See Nissim-Sabat, D.)

Jackson, S. L. (See Griggs, R. A.)

Jacobs, K. W. Evaluating the department chairperson. 219

Jazwinski, C. H. (See Lamwers, L. L.)

Johnson, D. E. An intuitive approach to teaching analysis of variance. 67

Junn, E. N. "Dear Mom and Dad": Using personal letters to enhance students' understanding of developmental issues. 135

Kasschau, R. A., Bernstein, D. A., Roy, E. J., Srull, T. K., & Wickens, C. D. Reviewer and authors discuss Bernstein, Roy, Srull, and Wickens's *Psychology*. 34

Keating, J. P., Spear, P. D., Penrod, S. D., & Baker, T. B. Reviewer and authors discuss Spear, Penrod, and Baker's *Psychology: Perspectives on Behavior*. 233

Lamal, P. A. Attending to parapsychology. 28

Lamwers, L. L., & Jazwinski, C. H. A comparison of three strategies to reduce student procrastination in PSI. 8

Lema-Stern, S. (See Hettich, P.)

Lilly, D. L. (See White, M. J.)

Lindzey, G. (See Solomon, S.)

Linn, Y. G. (See Naveh-Benjamin, M.)

Lowman, J. (See Sussman, D.)

Maas, S. (See Ford, J. G.)

Matthews, J. R. Greetings from the president. 90

Matthews, J. R. A message from the past president. 161

Matthews, J. R. Message from the president. 41

McFadden, S. H., & Perlman, B. Faculty recruitment and excellent undergraduate teaching. 195

McGovern, T. V., & Carr, K. F. Carving out the niche: A review of alumni surveys on undergraduate psychology majors. 52

McKeachie, W. J. (See Naveh-Benjamin, M.)

McKeachie, W. J. (See Swenson, E. V.)

Messer, W. S., & Griggs, R. A. Student belief and involvement in the paranormal and performance in introductory psychology. 187

Meyer, M. E. (See Griggs, R. A.)

Naveh-Benjamin, M., McKeachie, W. J., & Lin, Y. G. Use of the ordered-tree technique to assess students' initial knowledge and conceptual learning. 182

News Tips From *ToP*. 38, 89, 160, 244

Nissim-Sabat, D., Farr, W. H., Horton, P. F., Owens, M. C., & Shelton, T. Citations of distinguished scientists in introductory psychology textbooks. 74

Norcross, J. C., Horrocks, L. J., & Stevenson, J. F. Of barfights and gadflies: Attitudes and practices concerning extra credit in college courses. 199
